

Application for Special Equipment Grant

In order to be considered for Smile for a Child Foundation's Special Equipment Grant, include the following:

1. A brief background of your organization, including what you do; what your goals are; a description of your constituency and geographic region served; and type(s) of services provided.
2. A description of the equipment that you want the Foundation to contribute to. Discuss what kind of equipment you need; what the equipment is for; factors contributing to need; and the items importance to your organization.
3. A proposed budget, in a short summary, of the total cost for the equipment, and how much you intend to request from the foundation. Also please include individual costs for each item, and where you would be getting them. If possible, please also identify potential or actual sources of funding for this equipment outside the foundation.
4. Your reasons for approaching the Foundation with this grant. Tell us why you need this grant to help support your constituents. Elaborate on any past contact you have had with the Foundation and how you heard about us. Please note any other factors you believe would help us understand your situation and request.

When completed, please submit this application to:
